

Case Study: Leaflet delivery

SLIVERS-OF-TIME

Slivers-of-Time working is for anyone with spare hours to sell to local employers.

SLIVERS-OF-TIME WORKING: Case Study

BUYER	London Borough of Tower Hamlets
REQUIREMENT	Leaflet distribution

Traditional fulfilment	Engage a distribution company
Slivers-of-Time route	Book sellers exactly as needed hour by hour, often at very short notice. Ensure maximum productivity, for example by concentrating on rush hour for distribution at tube stations.

	Before SoT	Working through SoT
No. of hours		16 x 2 hours: 32
Impact on local employment	Company engaged, likely to bring in sellers from outside the area	16 local sellers booked
